

QAMATH

Get help with math homework!

Free Math Tutoring on Sundays!

Taught by Kiran Vodrahalli, a math enthusiast and high school graduate! Help will be available for 6th through 12th graders on math homework and for any random mathematics related questions! *Starts October 2, 2011*

Kiran's Qualifications: Kiran has taken sophomore-level college courses (through differential equations) and received a 5 on the BC Calculus exam as a tenth grader. He is currently an intern at Intel Corporation in the field of Perceptual Computing.

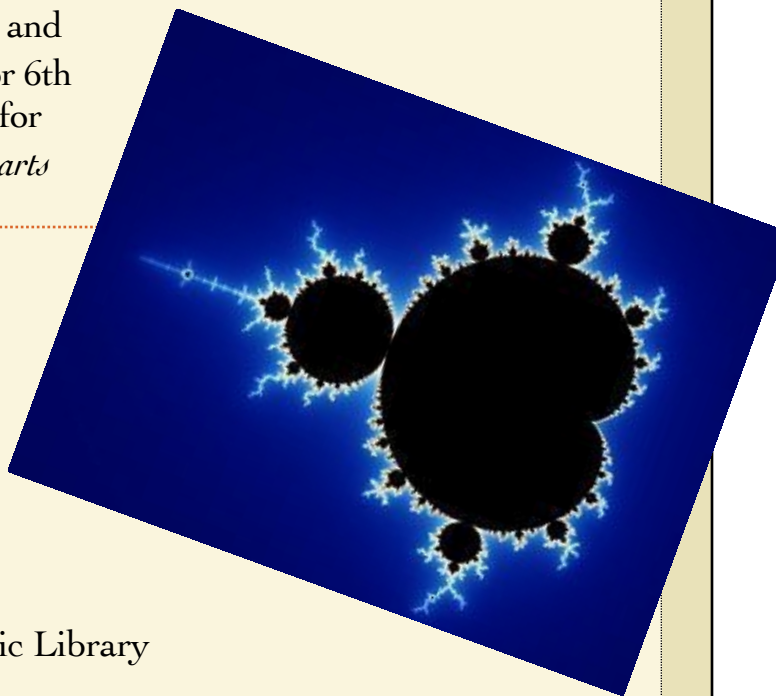

Where: Teen Zone at the Mountain View Public Library
585 Franklin Street
Mountain View, CA 94041
